CoroJem Classic Blend Travertine FBS

CLASSIFICATION	FBS
TEXTURE	A light textured finish with a natural clay grain appearance.

Choose clay face bricks for their unmatched durability, timeless beauty, and excellent thermal insulation, all while requiring no maintenance, ensuring your building stands the test of time with minimal effort.

Variations in colour, texture, and size are natural characteristics of clay products and production variations can occur from batch to batch. Whilst every effort is made to provide brochures consistent with products delivered to site, they should be viewed as a guide only.
